One Day in the Life of a Dog

scene 1

The dog got abandoned, and got sent into the shelter.

SCENE 2

how the dog lives in the shelter.
looks depress, anxious, and sad.

The dog is talking to its
future owner.

**A letter from a dog / its
bucket list:**

what the dog wish to
do with its future
owner or what to have.

SCENE 4

A stranger come visit the shelter, interact with every dog. and wants to adopt the dog.

SCENE 5

The dog(main character) got adopted

The Dog's First Time Experiencing Everything

example:

- the dog's new owner takes the dog to buy new stuffs
- go to park
- sleeping togehter
- travel together

Final scene:

The dog living a happy life with its owner.

(the dog's difference before adopted and after adopted.)

what we want the audience to feel

first we want them to see and know the difference of
the dog was in the shelter and become a house dog
